

**VBS team covenant/commitment**  
June 2017

We are having VBS here at Tab on June 26-30 (9:00 AM – noon), and this year we want to make it teen-led, adult-assisted. Teens will be taking the lead in planning the teaching material, set design, snacks, games, etc. We will bring adults alongside to provide mentorship, guidance, and encouragement in the process.

For everyone serving, these are the basic commitments that we need everyone on the team to adhere to:

- Be a team player both in words and actions. I will be extra careful to make sure my words are good and helpful, that I will speak words of encouragement (Eph 4:29).
- Listen to the leadership and giving my full attention and effort to serve.
- Attend all team training and planning times, which will happen during our normally scheduled Lighthouse time slots. These meetings will take place 5/21, 6/4 and 6/25.
- Pray weekly for our VBS to help kids take a next step of faith and we can welcome new families to Tab.
- Provide four hours of help preparing for VBS the week prior to VBS (any of the dates from 6/19-23).

We are excited not only for the opportunity to impact kids lives with the good news of Jesus this summer and serving families, but using this opportunity to serve our church and experience a leadership lab for you all this summer!
