Real I.D.: Week 6

FUN ICE BREAKER: If you could instantly become an expert in something, what would it be? Why?

THIS WEEK'S SCRIPTURAL TEXT:

- Read [Philippians 1:6](#); [Revelations 21:1-7](#); [2 Peter 3:10-13](#); [Revelations 21: 22-27](#); [Revelations 22: 4-5](#)

GENERAL QUESTIONS:

- What initially stands out to you the most in the passage this week? Why?

DIGGING DEEPER QUESTIONS: pick 3 or 4 of the below questions that best fit your group.

- Is eternity or our future reality after death, something that regularly impacts or changes how you live? Does the after life excite you or scare you? Why or why not?
- How should your identity be viewed in light of eternity? How should identity be viewed in light of the final judgement Pastor Craig described on Sunday?
- How do you feel about the word "judgement"? Negative or positive? How about final judgment?
- Should knowing that one day (maybe soon) everything we put our identity in will be burned up and wiped away in an instance change how we live our lives? Should it change what we put our identity in? How should that future reality change how we live today?
- Read [2 Peter 3:9](#), do you agree that God has been patient with creation? If yes, why? Does this change your view on the final judgement?
- As we wrap up this series on Identity, what are some of the "created" things that you put your identity in or get your identity from instead of God?

PERSONAL APPLICATION:

- What is one thing you hear God telling you as a result of this series on Identity?
- Is there anything you need to do differently as a result of what you are hearing?
- How can the small group or an accountability partner support you in this?
